

SAMARTH BIRAJDAR

SUMMARY

I believe I am a great fit for this role because I have hands-on leadership and event management experience. As a member of Shivray Pathak and an active member of a trekking community, I have successfully organized and managed 10+ events, which helped me develop strong communication, teamwork, and coordination skills.

WORK EXPERIENCE

Member | Shivray Pathak

Worked as a member of Shivray Pathak, supporting team operations and organizing events. Contributed to effective coordination, teamwork, leadership development, and successful execution of club activities.

Trek Leader | Gadkot Vatsaru (GOV)

Led trekking activities focused on exploring forts and nature. Successfully organized 20+ treks with proper planning, team coordination, and zero safety incidents while building a strong and active participant network.

Event Coordinator | MIT College Student Activities

Coordinated a social awareness event featuring dhol-tasha performances to attract public attention and promote anti-smoking initiatives in support of the Nasha Mukti campaign.

KEY ACHIEVEMENTS

Leadership

Contributed to Shivray Pathak activities by helping manage events and improve team coordination.

Event Management

Organized and managed 20+ successful trekking events with proper planning and safety management.

Team Coordination

Managed and coordinated large groups to ensure smooth execution of events through effective planning and communication.

Community Building

Demonstrated strong communication and teamwork skills by engaging with diverse student groups and participants.
